Dear Sir:-

Will you kindly advise how much the price lists of old United States coins and stamps that your bank advertises are. Have a number uncancelled one and two cent stamps of various issues.

Find addressed envelope for reply. Thanking you for this favor.

Respectfully.

Dear Sir:

Replying to your favour of January 19th, would say that our Society is a Museum and not a bank. I would suggest your writing to Messrs. Guttag Bros, 16 Exchange Place, New York City.

Very truly yours,

Secretary
